Hello, my name is Darniel Anderson

Thank you for the package! I can honestly say it was unexpected and kind.

I am serving 3yrs for evading while driving wreckless and assault w/ deadly I was suppose to receive a suspended w/ treatment however the judge went way against the plea. I'm currently here in SAN QUENTIN (Reception) waiting to move to SUSSEXVILLE where I'm fire camp eligible. Due to quarantine I've been stuck here for over 5 months. I've been on 24hr lock since march 14th because COVID 19. I'm unable to do any kind of programming or rehabilitation classes, I'm not receiving an opportunity to educate and I'm not getting the good conduct credit @ 66.6 (3rd time) which I would at my mainline. I'm not even sure @ this point I'll make it to a fire camp!

I feel like I'll do more time than I should the longer I'm stuck here since my good conduct credit doesn't adjust until mainline after seeing committee. I feel cheated of any education or type of vocational or rehabilitation. I've

already served 8+ months and only have 9+ left @ half time. So there's been alot of dead unproductive time that could of helped me better myself.

I wanted to express this because there are alot of us stuck in a reception center who feel this way. We would like our 3rd time date, we would like some merit and education packs milestone options, something other than being placed under (shu) type living when we have done nothing to be treated as if on disciplinary.

I understand its suppose to be for our own safety however who looks @ these facts  $\frac{2}{3}$  we are not being rehabilitated. just left in a kennel like dogs & yes some serious offenders may deserve that type of incarceration but some want to better there selfs and get home to family!

Again thank you and yes you can use my story & letter

P.S  
Help

sincerely not rehabilitated
