Dear P.U.P

Hello. I hope this letter finds you and the friends of P.U.P who so generously donated the care packages we received all doing well, happy and healthy. In these very difficult times we are all facing

I wanted to take the opportunity to thank you not only for your generosity but also for your kindness and thoughtfulness. Life in prison has taught me to be grateful especially when others treat me like a human being, which was rare when I first began doing time 28 years ago. But not so much now. It makes me happy."

Thank you.

When they were passing out the packages I was ^{SAD} ~~amazed~~ because I heard Pup college." But when they came to my cell I was given one to that was so cool I thought I was going to be left out because I'm not

in the college. Thank you
and all of those who
thought and think of all
of us. Yowie all awesome!
Before this terrible pandemic
happened I was on the
waiting list for Mt Sam
and looking forward to
being enrolled. Now I don't
know what will happen.
If classes start on a
home study / correspondence
or through teleconference
I would very much like
to take part if possible.
Please continue to take
care and stay safe. We
need all of you healthy.
God Bless Always.

Sincerely Yams,
~~Hertbert~~
