Thank you for your letter of ENCOURAGEMENT AND updates on the current events surrounding us here at SAN QUENTIN. Your letter forced me to confront the fact that while I feel alone and without hope, I truly have things to be thankful for.

Here are a few things that come to mind:

- We are VIRUS FREE at SAN QUENTIN
- GTE has in cooperation with SQ given us FREE phone calls to stay in touch with family once a week
- We still CAN self/or group educate with making time COUNT (I COMPLETED)
- Self reflection time.
- Friends who send meaningful gifts at the PRISON UNIVERSITY PROJECT

These are only a few things that come to mind.

Today our Governor extended our stay home orders until May 31. It remains UNKNOWN how this affects

US IN RECEPTION, The most difficult thing for us/me to face is the lack of reliable and credible information. Your letter helped to ease the stress by letting us know that things are in fact happening behind the scene. I welcome any other information or programs that might be available.

Remembering how things could be worse, I remain thankful. Again, any additional information or programs are welcome. Thank you for the thoughtful and meaningful gifts

Sincerely Ken Barnett.
