Dear Judy and others,

What a nice, surprise gift I received today from the Prison University Project and I heard others say so too. Your name was prominent.

This is the longest lockdown - in effect - that I've suffered since I've been here at San Quentin and I've been here for 25 years this past April 13th. But don't fret too much for me, I received an advancement in my releasing date to "before the end of September, 2020".

I would use me more gift if someone(s) would say something nice about me to the BPH.

At any rate, I, and several others I know, appreciate the good and great work you and yours do for us here at SQ.

Best Regards and XOXOX
