Dear Prison University Project, Thank you for the stamps & envelopes, Ivory soap, Trail mix, office Depot pad, pink salmon, Beef Jerky, and Pilot pen fillers. ~~How~~
~~to share~~ It is ~~is~~ ok to share this letter on the prison university project website or in email messages to our community. on how things are going inside. First we locked in are cell all day. we get out of are cell for a 5min. shower on Mon, Wed, Fri only. we get to go out to the yard on Thur, Sat for 2 hours. we have no Access to the Library so we can't get Books to read. or Access to the Law library for Law stuff. The Law library people come through the Boulding every two weeks for Law stuff. No Reading Books though. The pilot pen fillers you gave us do not fit in the pens we use here, we use the clear Bic pens with the Gold tipped pen fillers in them. The pilot pen fillers are to small to fit in the clear Bic pens.
