How are you doing? Healthy and quite well. I am wishing. As for myself, I am doing quite well considering my present position.

I am hoping you will be flooded with "thank you" letters for the merchandise we received from you May 1, 2020. That's why I am going to keep it short and to the point. Thank you Mt. Lamalpa Community for your generosity, well appreciative, continue to be safe.

Your Student

P.S. It is ok to share my letter.
