Dear Prison U. Projects, 04.27.2020

What a nice surprise 4000 Confined men at San Quentin State Prison received today! I am Confined in South Block, Budget unit, Reception awaiting transfer to Mule Creek Correctional Center. Been here 90 Very long days. It is a very great feeling knowing there are alot of Caring and Compassionate Human Beings in Our World. Our Very purpose in life is to Care and give to our Fellow man, To be Forgiving and kind. I Personally was Feeling; Forgotten, Not Cared about and Very, very alone untill today. My prayer go out to all of India and all my Fellow Human Beings around The World. The Prison U. Projects are Nothing But A Huge Blessing.
