To Whom This May Concern,

My Name is Steven Clyde Davis. Currently I am an inmate confined at San Quentin State Prison Reception Center South Block, Badge Unit 2nd tier, 5th Cell. I was received and housed in said prison cell 01.29.2020, 140 days and counting. On ~~05.29.2020~~ 05.29.2020, C.D.C. allow inmates ~~to~~ infected with "Covid 19" to emigrate from C.E.M (China) into an uninfected unit (Badge) where NO - ZERO inmates were infected with Covid 19 (Coronavirus). I and many other inmates have been put in "Harm's way". Many many inmates of San Quentin, Reception and Mainline are now testing positive for Covid 19. I am 57 years old. I am currently testing negative for Covid 19. I am one of the lucky ones. I am eligible for Proposition 57 Credits and like many ~~other~~ other inmates we are unable to receive these credits as we are on Quarantine lockdown and unable to transfer with no end in sight. I feel my and many other inmates rights are being violated. Just wanted you to

my parole Date is 09.05.2020. my
Sentence is 16 month with $\frac{1}{2}$ time
eligible to Receive 200% $\frac{1}{3}$ time which
if I could Be transferred to Mainline
and Be Classified I would Be Paroling
around 06.26.2020. Being unable to
Be Classified Due to C.D.C.R.'s negligence
I feel something Can Be done
Thankyou For your Help
