Dear Ms Lewen and the entire Prison University Project / Mt. Tamalpais College staff, teachers and friends

My name is Orlando Harris a 2016 Prison University Project Graduate. / Alumni

It is a privilege and an honor to receive gift bags from Prison University Project. It never ceases to amaze me how members of the P.U.P. Community respond in a crisis. The concern and compassion you display reminds us that we are part of a community that sees the humanity in all people.

Although, this pandemic has brought about high levels of stress, and much anxiety for the men in SAN Quentin. We realize that we are not alone and we thank you for your kindness and unwavering support.

One of the ways that people can help is to contact Global Tel Link and ask for their continued support with communications via the free phone calls. Knowing that our loved ones are safe, gives us a sense of comfort, as well as for them.

P.S. you can share this correspondence, any way you choose
Orlando Harris

Thank you for
Human Kindness
