To My Dearest New Found Friends At P.U.P.,

My name is Leone Renee Harvey. I'm serving a seven to life-life sentence for kidnap robbery. I'm one of the many recipients who received one of the care packages the P.U.P. organization sent here to San Quentin. I want to thank all the people at P.U.P. for this act of kindness, and to all of those people who are out there advocating for those of us with existing health issues, an are up in age. The fact that there are people an organizations like P.U.P out there, makes it easier to be grateful for this gift in these trying times of our. When there are wonderful people and organizations like P.U.P. in the world it gives people such as myself some hope. I would again like to Thank You for this gift of kindness you sent, It touch my heart.

Sincerely,
recipient

Leone Renee Harvey.
