Dear Jody,

Hello, I received the small care package / Zip Lock Bag of Goodies today. I truly do appreciate it.

Thank you very much!

Me being the youngest of my family at the ripe young age of 64.

I've lost most of my friends - n - family, in the 26 plus years I've been incarcerated here on death row, Colusa County Jail.

I have no help financially any longer. I just lost my only source of income (my attorney) who just moved back east. So I have nothing at this time. I haven't been to our canteen in over 2 months. I could sure use some help, I'd appreciate it. Thanks a lot, I'm not on any pen-pal over
