Please share my letter.

My name is Steven Malar my Cdc # is
BL1923, I'm writing to say thank you
very much for your kind care package
that was a very thoughtful act of
kindness. For the last couple of
months has been really hard for
us and to wake up to that
zip lock bag full of goodies put
a smile on my face. SO,
Thank you very much!!

Our day to day in South block
Alpine section consist of the same
thing every day, we are locked in
these small cells, some of us have
cellies and some of us dont, either
way our movement is restricted
and our day is stuck in a
cell, the officers make it worse
by being disrespectful to us
all of us are endorsed to
go to different prisons, but
yet the prisons stopped
all transfers, so we are stuck
here at Sun Quentin. We have
no access to the news, so
we dont know whats going on
in the world. We would really
love to have a radio so we
can listen to whats going on
and also to have some idea
what the seriousness is with
the coronavirus. I read your
comments about the reducing of
the population, how are they
determining who qualifies? Are you
able to help us out with updated
information anything you can do

to ~~get~~ help, no get, radios
and things to do to occupy
our minds. We are very bored
with ~~no~~ nothing to do. We
~~we~~ need help. We got nobody
on the outside to ~~communicate~~
communicate with. So I don't get
mail. I'd like a pen pal if
you can, thank you very
much.

Sincerely
Stevie
Makar
