

Dear Judy Lewen and Prison
University Project / Mt. Tamalpais
College Staff.

I am a student of the
College program, and am working
toward an AA Degree.

I want to say thank
you all for caring and
sharing, not only with
the college programs, but
for the care package you've
recently blessed me with.
Its fine with me if
you want to share my
letter.

Thanks!

Wishing you blessings
~~with~~
