Dear Mrs. Lewen,

first off  
I would like to thank you  
for the wonderful package  
you and your coworkers  
sent to us. I want you  
to know that it was  
heartwarming, and so  
thoughtful. I can't begin  
to describe how much of  
a smile you put on all  
our faces. Truly, you  
all are a blessing!

Now heres a question  
I have for you. Im 38  
years old, have 2 strikes  
and Im due to parole  
in the next couple of  
months in Santa Clara  
County. Im so scared to get  
out to nothing. I lost  
my Condo, Car, & have no  
financial help what so ever.  
I have 4 kids (3 girls 1 boy),  
and I dont want to fail  
them. I tried about a

month ago, to get into  
a house that would let  
me live there and go to  
work while rebuilding  
my life. I was unable to  
get any help from the  
prison and outside agencies.  
I really need a vehicle to  
get to and from work and  
to be a dad to my kids. I  
don't know what to do, I'm  
so stressed out I don't want  
to be released cause I'm

scared to get out with  
nothing and that's no way  
to live. Please if there's  
any way you can help  
me upon my release with  
housing, transportation or an  
entry level job, you would  
make my whole world. Thank  
you for your time, look forward  
to hearing from you!  
p.s. Yes, you can share my  
letter. Sincerely,  
Christina
