Thank you for sending this small package, it was a nice gesture and I appreciate your efforts of sending it to us inmates in San Quentin?

My name is

Raul Nacena Urcuiza, I am 50 years old and I just arrived in San Quentin on May 30th Saturday night with at least 120 other inmates. We came from CTM Prison, we were transferred here for the reasons of being High Risk medical and negative on our test results? Since I've been here, plus other numerous inmates it has been a roller coaster for all of us? We can't understand still why we were sent here. All my family reside in Orange County and San Diego County. There are a lot of us in the same situation being away from our families at long distance but that's another matter, I

just to share that little information because a lot of us here from CTM Prison? Are still in the Dark, with no one really to explain it to us.

As for the cone package I just want all of your Staff. Thank you, the best jerky tasted just like my Grandfather use to make it in his Smoke House in Lone Pine CA. It brought a lot of memories back to me. Thank you and as for the trail mix, it was really good as well.

I just hope this Pandemic will end and not so many people get as sick, where I was at in CTM East was Grand Joes. All we would see is vans bringing in inmates and ambulances taking them out. It is sad, that when we
