To Prison University Project,  
Wow, you guys caught us  
All on completely off guard  
And once the tier officer showed  
up at the gate handing me the  
large zip lock plastic bag with  
everything inside - all I could say  
was Thank you! Now this is  
no lie, there were so many guys  
expecting the worst because San  
Quentin just don't do things like  
this for free!!! You see, the

only time we receive stuff like this  
they're about to do something completely  
out of the ordinary. They got moves  
up their sleeves but this seems very  
genuine so I'll accept it with open  
arms - Again Thank you so very much!

Sincerely,

Lester Virgil H-73834
