Hello

June 20th. 20

Jody,

I'd like to Thank You for the gift you sent everybody. It was received at a good time. Since I didn't have my property. I read it front to back.

Thank You so very much.

Now I'll start by saying I'm one of the inmates from Chino. I was put on a bus at Chino, because I did not have the virus or any symptoms. Sent here because this place was supposed to be safe. Once we get here, we are put on quarantine and still on quarantine in an ad-seq situation.

We've been filing 602's so we can get our property, get store, get yard, showers and phone calls. We didn't do anything wrong and we should have gotten all this when we got here, and not have to file for our property, and other things.

I had a job at Chino working everyday in the kitchen, A.A. N.A. V.O.E.G. program, and L.T.P. program all shot to hell.

The guards, don't want us here the prison don't want us here. People are protesting because we are here they say we brought the virus here →

It was here when we got here. We were supposed to be sent to a high risk medical facility. Instead we were put into a Ad-Seg situation. locked in a cell until this place figures out what to do with us. Now we are targets.

All one hundred and twenty are gonna refuse to stay here. I'm trying to go home. I don't need a 115 for trying to defend myself, because people want to target us. I have a parole hearing in 2024. I don't want a write up. I've done plenty of time on this 25 to life. I've been locked up since June 11th. 1983.

My goal is to get paroled soon, so I do as many programs I can do. Stay out of trouble and stay busy.

All my family and relatives are in Southern Cal. I don't want to be here.

I want to say Thank You again for the Gift. Thank You so very much, and Thank You for letting me get some things off my chest.

Thank You For Your Time
And Your Staff Also.

yes you can share
this letter if you'd
like to.

Sincerely

Richard Wethers
